**SARADHA GANGADHARAN COLLEGE
VELRAMPET, PUDUCHERRY
SWAYAM ONLINE COURSE
REPORT FOR THE PERIOD JULY TO DECEMBER 2021**

SWAYAM is a programme initiated by Government of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. The objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged. SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy.

This is done through a platform that facilitates hosting of all the courses, taught in classrooms from Class 9 till post-graduation to be accessed by anyone, anywhere at any time. All the courses are interactive, prepared by the best teachers in the country and are available, free of cost to any learner. More than 1,000 specially chosen faculty and teachers from across the country have participated in preparing these courses.

The courses hosted on SWAYAM are in 4 quadrants – (1) video lecture, (2) specially prepared reading material that can be downloaded/printed (3) self-assessment tests through tests and quizzes and (4) an online discussion forum for clearing the doubts. Steps have been taken to enrich the learning experience by using audio-video and multi-media and state of the art pedagogy / technology.

Saradha Gangadharan College has taken initiation to emphasis about swayam course and it's significant to the student. In this regard a coordinating team has been constituted with Dr .S. Pandurangan, Assistant Professor, Department of PG Commerce. The team constituted has a member from all departments of the institute. A circular pertaining to the details of Swayam coordinating team has been communicated to the college staffs and student on 15-07-2021. In order to strengthen the enrollment in MOOCs courses a guideline has been framed and it is communicated to the staff and students of the college.

The first meeting of the constituted coordinators was conveyed by the Principal on 17-07-2021 .The coordinators where briefed about their role and responsibility by the Principal. The department-wise coordinators are requested to identify the course from the swayam list, which will enrich and strengthen the knowledge of the students in their respective programme. A request for local chapter is submitted to the NPTEL coordinator, IIT, Madras. The application of local chapter was approved on 20-07-2021 by the NPTEL coordinator, IIT, Madras. Following that SGC has been listed out as an active chapter in the swayam portal.

For the sessions July to December the SPOC log had listed 472 registrations under SGC local chapter. Due to discrepancy in the choices of paper between staff preference and student preference an effective mentor mentee scheme was not able to adopt for this period. The students and staff submitted the assignments as per the course requirement.

Of the registered candidates about 25 numbers of participants had enrolled for the exams scheduled on 26th September and 23rd and 24th October 2021. Out of this 07 had successfully completed.

For the forthcoming Jan – April 2022, about 18 registration has been recorded so far.
