Feedback

Usha Devi – II M.Com

I thoroughly enjoyed my internship at VOLANTARIAT. I learnt Soap making. The atmosphere, surroundings are so beautiful and pleasant. Over the past few weeks I feel like I have gained so much experience. I feel that I now have a good idea what it is like to run your own business and what it is like to work closely with the public on a day to day basis. I'm so grateful for the internship as I know the process of making soap. I have learned through my internship the value of hard work and how to work as a team with other people. I wish to thank so much my college management and my department for giving me this opportunity.
