Pondicherry Aids Control Society,
Puducherry

Red Ribbon Club is a movement started by the Government of India in schools and colleges through which, students will spread awareness over HIV / AIDS. It guides and motivates like-minded young people to be socially responsible. Through RRC, Young are encouraged to lead safe and healthy life. The RRC promotes voluntary blood donation as well as enable the young minds to become change agents in HIV & AIDS programme. Red Ribbon Club is formed in all educational institution in order to provide opportunities to the young volunteers to contribute towards the control and prevention of HIV&AIDS .

- Impart the knowledge to Youth with correct, concise and adequate information and heighten their level of awareness about HIV/AIDS/STI/sexuality and other related issues.
- Facilitate female students to identify and understand situations of exploitation and abuse.
- Instill the young spirit to support and avoid discrimination against HIV/AIDS
- Increase the access of Youth to health care services related to HIV/AIDS/ STI /Drug use.
- Create linkages between Youth, government and other agencies to access safer and responsible healthy behavior.
- Involve Youth in the right and positive direction.
- Prepare and promote Youth peer educators within and outside the campus.

OBJECTIVES

- To create an awareness to youth on HIV prevention methods.
- To motivate youth as change agents by developing their skills on leadership, negotiation and team building.
- To promote voluntary blood donation among youth.
- To prepare the students to participate in the fight against HIV/AIDS.
- To counsel the students regarding the various preventives for their proper health
