

**Saradha Gangadharan College**  
*educating to elevate ...*

**PROSPECTUS**

## OUR VISION

We, at Saradha Gangadharan College, are doing our might to instil in each student, a very high standard of discipline and make our students technologically superior and ethically strong, which, in turn, will improve their quality of life.

## OUR MISSION

Our mission is to provide individual attention, academic efficiency, monitoring the progress of each student and keep in touch with the parents, eliciting their cooperation in shaping their character.

# *Saradha Gangadharan College*

Affiliated to Pondicherry University | Recognised by UGC under section 2(f) of the UGC Act 1956 as PG Institution  
A Unit of Sri Saradha Gangadharan Educational Trust

Lake Road, Velrampet, Puducherry - 605 004. Ph: 0413 2280156

## CHAIRMAN

I am delighted to learn that you are keen on studying in our Saradha Gangadharan College. Studies serve for delight, for ornament and for ability. Natural abilities in you are like natural plants that need pruning by study.

Choosing a college for study is an important stage in your academic life and more so, it is vital to give careful thought in selecting the subjects you are going to study.

Our college is far from the world of gimmicks and glamour and has a peaceful and harmonious atmosphere which enables you to experience the wisdom and knowledge you acquire, in a joyous way.

We have an excellent and dedicated principal and staff who guide you to achieve your goal.

Good thought, moral faith and good will prevail in our institution.

I believe you behave in such a manner that brings good name and happiness in your parents and teachers.

We welcome you and bless you to come up in life with flying colours.

**G. SWAMINATHAN**  
Chairman

## EDUCATION is...

A companion  
which no future can depress,  
no crime can destroy,  
no enemy can alienate it and  
no nepotism can enslave.

## VICE-CHAIRMAN

Welcome to the Saradha Gangadharan College.

Our college is the center of top quality teaching. Indeed, I am particularly proud that our college maintains its academic achievements, and continues to emphasize its tradition of working to the service of society. Whether you are an existing student or staff, or hope to become one, I hope you will find plenty to interest you. Our aim is to provide the finest possible environment for teaching and learning.

We are vibrant and friendly, with a strong record of excellence in teaching. My role is to make sure that we continue to deliver the best that possibly can for students and staff and the professions we serve.

**S. PAZHANIRAJA**  
Vice-Chairman

**EDUCATION** is...

One of the few things  
a person is willing to pay  
for and could not get.

## PRINCIPAL

I am glad that you have proved your marvelous decision making power by planning to join our college. I need to say that ours is one of the best Private colleges in Pondicherry. With a devoted and highly qualified set of faculty members, well provided infrastructure and efficient administrative staff, we always impart best education by giving depth in the subject that you are likely to pursue. We know that mere education does not make you a complete man / woman. So, We encourage you to participate in the co curricular activities. With NSS, and RED RIBBON, we provide you ample opportunities to know the world outside and to strengthen your sense of social commitments. With our rich library, we want you to develop reading habits. We do not lag behind in our sports activities. Our students always find a place in the Pondicherry University team what ever the game be. We always endeavour that when you go out of our portals you should be recognized as highly knowledgeable, amiable, active and greatly trust worthy one.

Thanks to the educationally committed management, we have the reputation that we provide all the facilities and amenities. In this respect we become neighbours' envy. May be because of all these, I proudly say that 40 to 50 percent of our students get placement in the reputed companies. I am sure that you are going to be one of them. Good luck.

A word to the parents: Sir/Madam, we give great importance to the discipline and characters shaping of the boys and girls who come to our fold. But I assure you that we will never be unduly strict. We treat them with parental care; but at the same time we pull them up whenever they err. Our system is such that no individual student can escape from our eyes. With all modesty, I declare that our institution is another's 'shanthiniketan'.

**Dr. L. NADARAJAN**

Principal

Our job is not complete  
until you are satisfied

# COMPUTER SCIENCE, COMPUTER APPLICATIONS & IT

Computer scientists apply the theories and principles of mathematics and allied science, to design computers and develop software. Computer professionals work in many fields such as research, industry, government and business. The field of computer science is constantly moving forward, providing intellectual challenges and developing new knowledge on an almost daily basis.

The department strives to provide students a broad education centered on computer science and delivered in the context of the liberal arts. The department currently has 18 full-time lecturers and technical support staff.

The Department has been offering degrees in computation and has evolved a comprehensive strategy for their development. Its objective is to educate students in the concepts, techniques and tools for different application systems. The Department is proud of the extensive industrial contacts, which have a significant influence on project work in the third year.

## COMPUTER SCIENCE

### What you study?

The taught component of the degree normally takes three year duration spread over six semesters. The first year provides the foundation necessary for successful completion of the degree. First year courses are Fundamentals of Computer, Digital Electronics, Mathematics, Programming in 'C', Computer Organisation and Numerical Methods.

**Length:** 3 years full-time with 6 semesters.  
The maximum duration to complete the course shall be 6 years.

**Entrance Requirements:** Candidates for admission to B.Sc. Computer Science shall be required to have passed Higher Secondary Certificate Examination conducted by the Government of Tamil Nadu or CBSE or other equivalent examination acceptable to the Pondicherry University with Mathematics / Business Mathematics / Computer Science as one of the subjects of study or an examination accepted as equivalent thereto, subject to such conditions as may be prescribed thereof.

**Age:** Candidates must have completed 16 years and 6 months as on 15th July. Should be below 21 years of age as on 1st July. Age relaxation is applicable to students belonging to the following categories:

- (i) 3 years for physically handicapped, scheduled castes and scheduled tribes
- (ii) 5 years for nuns of various religious congregations and widows.

**Medium:** The medium of instruction shall be English.

**Fees:** ₹19,000/- per semester + one time payment of ₹1,000/- will be collected

Our purpose is to help  
our pupils realize their aspirations

### SEMESTER I

Tamil / French / Hindi - I  
English - I  
Fundamentals of Computer Science  
Digital Electronics  
Mathematics for Computer Science  
Computer Practice Lab  
Digital Electronics Lab

### SEMESTER IV

Communication Skills - 2  
Java Programming  
Computer Algorithm  
Operating System  
Data Base Management System  
Java Lab  
RDBMS Lab

### SEMESTER II

Tamil / French / Hindi - II  
English - II  
Principles of Programming and C  
Computer Organization  
Numerical Methods  
Advanced Programming in C Lab  
Numerical Methods Lab (Using C)

### SEMESTER V

Computer Network  
Visual Programming  
Software Engineering  
System Software  
Elective I  
Computer Networks Lab and OS (Unix) Lab  
Visual Programming Lab

### SEMESTER III

Communication Skills - 1  
Data Structures  
Object Oriented Programming  
Microprocessors and Assembly Language Programming  
Probability and Statistics  
Data Structure and OOPs Lab  
Microprocessors and Assembly Language Programming Lab

### SEMESTER VI

Artificial Intelligence  
Web Technology  
Elective II  
Web Technology Lab  
Project

**Lateral Entry:** Candidates who have passed Diploma in Computer Science / Computer Technology / Computer Applications / Information Technology in I Class (10+3 years of study) are eligible to apply for the lateral entry to the 2nd year of the course subject to availability of seats, but limited to 10% of the sanctioned intake. Such candidates should not have completed 22 years of age as on 1st July.

Applicants from outside Tamil Nadu State Board must obtain the eligibility certificate from the Pondicherry University before admission. Students studying in colleges affiliated to Universities other than the Pondicherry University can seek admission to B.Sc. (Computer Science) on condition that they would adhere to the procedure laid down by the University in this regard.

The integration of information,  
design and technology

# COMPUTER APPLICATIONS

## What you study?

The Degree of Bachelor of Computer Applications aims to introduce the students to the computer and its applications. At the end of the course, the students are expected to have a good knowledge in database and internet applications. The course will be of three years duration spread over six semesters. The maximum duration to complete the course will be 6 years.

**Length:** 3 years full-time with 6 semesters. The maximum duration to complete the course shall be 6 years.

**Entrance Requirements:** Candidates for admission to B.C.A shall be required to have passed Higher Secondary Certificate Examination conducted by the Government of Tamil Nadu or CBSE or other equivalent examination acceptable to the Pondicherry University with Mathematics / Business Mathematics / Computer Science as one of the subjects of study or an examination accepted as equivalent thereto, subject to such conditions as may be prescribed thereof.

**Age:** Candidates must have completed 16 years and 6 months as on 15th July. Should be below 21 years of age as on 1st July. Age relaxation is applicable to students belonging to the following categories:

- (i) 3 years for physically handicapped, scheduled castes and scheduled tribes
- (ii) 5 years for nuns of various religious congregations and widows.

**Medium:** The medium of instruction shall be English.

**Fees:** ₹19,000/- per semester + one time payment of ₹1,000/- will be collected

**Lateral Entry:** Candidates who have passed Diploma in Computer Science / Computer Technology / Computer Applications / Information Technology in I Class (10+3 years of study) are eligible to apply for the lateral entry to the 2nd year of the course subject to availability of seats, but limited to 10% of the sanctioned intake. Such candidates should not have completed 22 years of age as on 1st July.

### SEMESTER I

English - I  
Fundamentals of Computer Science  
Information Technology  
Programming Concepts and C  
Mathematics for Computer Science  
Office Automation Lab  
C Lab

### SEMESTER III

Computer Organization  
Java Programming  
Fundamentals of Algorithms  
Financial Management  
Operation Research  
Java Programming Lab  
Financial & Statistical Packages Lab

### SEMESTER V

Software Engineering  
.Net Framework  
E-Commerce  
Web Technology  
Elective I  
.Net Framework Lab  
Web Technology Lab

### SEMESTER II

English - II  
Object Oriented Programming  
Fundamentals of Data Structures  
Probability and Statistics  
Fundamentals of Accountancy  
OOP (C++) Lab  
Data Structures Lab

### SEMESTER IV

Operating Systems  
Data Communication and Networks  
Visual Programming  
Database Management Systems  
Principles of Management  
Visual Programming and RDBMS Lab  
Networks Lab

### SEMESTER VI

Multimedia Applications  
Elective II  
Elective III  
Multimedia Applications Lab  
Project Work

We make a positive impact

# INFORMATION TECHNOLOGY

## What you study?

Information Technology is a term that encompasses all forms of technology used to create, store, exchange and utilize information in its various forms including business data, conversations, still images, motion pictures and multimedia presentations. Information technology provides the “engine” used to drive useful information systems. This includes computers, software, internet & telecommunication technology.

In today’s IT and knowledge-based economic system, being able to gain access to information superhighway is the key to success in the world market. The booming IT sector in India is a sure indicator that Indian software professionals are highly valued. Keeping in view the fast expanding market for software professionals, the college has started a three year B.Sc course in Information Technology.

### SEMESTER I

Tamil / French / Hindi I  
English I  
Fundamentals of Information Technology  
Programming in C  
Mathematics for Computer Science  
Office Automation Lab  
C Lab

### SEMESTER III

English III - Communication Skills I  
Digital Principles & Computer Organization  
Data Base Management Systems  
Java Programming  
Principles of Management  
DBMS Lab  
Java Lab

### SEMESTER V

Web Technology  
Information Security  
Software Engineering  
Multimedia Technology  
Elective I  
Web Technology Lab  
Multimedia Technology Lab

### SEMESTER II

Tamil / French / Hindi II  
English II  
Object Oriented Programming with C++  
Fundamentals of Data Structures  
Numerical Methods  
OOPs (C++) Lab  
Data Structures & NM Lab

### SEMESTER IV

English IV - Communication Skills II  
Data Communication & Computer Networks  
Operating Systems  
E-Commerce  
Visual Programming  
Operating Systems & Computer Networks Lab  
Visual Programming Lab

### SEMESTER VI

Software Testing  
Mobile Computing  
Elective II  
Software Testing CASE Tools Lab  
Project Work

**Length:** 3 years full-time with 6 semesters. The maximum duration to complete the course shall be 6 years.

**Entrance Requirements:** Candidates for admission to B.Sc. Information Technology shall be required to have passed Higher Secondary Certificate Examination of the Tamil Nadu State Board or CBSE or other equivalent examination acceptable to the Pondicherry University with Mathematics / Business Mathematics / Computer Science as one of the subjects of study or an examination accepted or equivalent thereto, subject to such conditions or may be prescribed thereof.

**Age:** Candidates must have completed 16 years and 6 months as on 15th July. Should be below 21 years of age as on 1st July. Age relaxation is applicable to students belonging to the following categories:

- (i) 3 years for physically handicapped, scheduled castes and scheduled tribes
- (ii) 5 years for nuns of various religious congregations and widows.

Medium: The medium of instruction shall be English.

**Fees:** ₹19,000/- per semester + one time payment of ₹1,000/- will be collected.

A group of young women are seated at a computer lab, looking towards the camera. They are wearing patterned saris. The woman in the foreground is wearing a green and black patterned sari. The woman next to her is wearing a pink and black patterned sari. The woman in the background is wearing a grey and black patterned sari. They are all looking towards the camera with slight smiles. The background shows computer monitors and keyboards on desks.

Unlock your full potential

**Length:** 2 years full-time with 4 semesters.  
The maximum duration to complete the course shall be 4 years.

**Eligibility:** Candidates who have secured 55% of marks or above in any one of the following or equivalent, are eligible to apply. Bachelor degree in Computer Science / Technology / Applications.  
Medium: The medium of instruction shall be English.

**Passing and Classification:** The minimum of marks for passing and classification for the award of the M.Sc (Computer Science) Degree shall be as per the existing norms of other PG Degree courses of Pondicherry University offered in Affiliated Colleges.

**Fees:** ₹19,000/- per semester + one time payment of ₹1,000/- will be collected.

## COMPUTER SCIENCE

Master of Science in Computer Science provides students with a broad background in software development and other core disciplines of computer science. This core background serves as a sound foundation for Computer Science graduate students as they develop a substantial software project, either as a research-driven or commercially sponsored project.

### What you study?

The taught component of the degree normally takes two-year duration spread over four semesters. The first year of this degree, consisting of two semesters, introduces more advanced areas of Computer Science and is devoted to foundational computing and system design concepts. Some of the key areas are : Design and Analysis of Algorithms, Object Oriented System Design, Computer Architecture, Database Systems, Automata Theory & Computations, Data Communication Networks, Computer Graphics, Software Engineering Concepts, Cryptography & Network Security and Compiler Design.

#### SEMESTER I

Design and Analysis of Algorithms  
Computer Architecture and Organization  
Visual Programming  
Database Systems  
Elective I  
Visual Programming Lab  
Algorithms Lab

#### SEMESTER III

Principles of Compiler Design  
Computer Graphics  
Cryptography and Network Security  
Elective III  
Elective IV  
Compiler Design Lab  
Client / Server Lab

#### SEMESTER II

Automata Theory & Formal Languages  
Data Communication Networks  
Software Engineering Concepts  
Object Oriented System Design  
Web Technology  
Elective II  
Networks Lab  
Case Tools Lab (OOAD)

#### SEMESTER IV

Project Seminar  
Project Work  
Project Report & Viva-voce

Planning, Calculating, Managing

# MATHEMATICS

## What you study?

A rigorous training in Mathematics enables you to think systematically and you will get the art of drawing legitimate inferences. Mathematics is a compulsory subject in most of the science courses. In B.Sc. Mathematics programme you will study a range of core subjects and allied subjects. The knowledge gained in this programme, with a background of operations research and computer programming, will be useful either to get a job or to pursue higher studies in Mathematics.

Applicants from outside Tamil Nadu State Board must obtain the eligibility certificate from the Pondicherry University before admission. Students studying in colleges affiliated to Universities other than the Pondicherry University can seek admission to B.Sc. Mathematics on condition that they would adhere to the procedure laid down by the University in this regard.

### SEMESTER I

Language - I  
English - I  
Theory of Equation and  
Trigonometry  
Differential Calculus  
Analytical Geometry

### SEMESTER III

Language - III  
English - III  
Fourier Series and Partial  
Differential Equations  
Real Analysis - I  
Statistics - I

### SEMESTER V

Abstract Algebra  
Complex Analysis - I  
Mechanics - I : Statics  
Operations Research - I  
Programming in C

### SEMESTER II

Language - II  
English - II  
Discrete Mathematics  
Integral Calculus  
Ordinary Differential Equations  
and Laplace Transform

### SEMESTER IV

Language - IV  
English - IV  
Theory of Numbers and  
Fourier Transform  
Real Analysis - II  
Statistics - II

### SEMESTER VI

Linear Algebra  
Complex Analysis - II  
Mechanics - II : Dynamics  
Operations Research - II  
Numerical Analysis using C

**Length:** 3 years full-time with 6 semesters. The maximum duration to complete the course shall be 6 years.

**Entrance Requirements:** Candidates for admission to B.Sc. Maths shall be required to have passed Higher Secondary Certificate Examination of the Tamil Nadu State Board or CBSE or other equivalent examination acceptable to the Pondicherry University with Mathematics as one of the subjects of study.

**Age:** Candidates must have completed 16 years and 6 months as on 15th July. Should be below 21 years of age as on 1st July. Age relaxation is applicable to students belonging to the following categories:

- (i) 3 years for physically handicapped, scheduled castes and scheduled tribes
- (ii) 5 years for nuns of various religious congregations & widows.

Medium: The medium of instruction shall be English.

**Fees:** ₹10,000/- per semester + one time payment of ₹1,000/- will be collected

$$\frac{\partial \log}{\partial (1+r)} =$$

$$= \frac{\log x}{\log x + 1}$$

$$\log \left( \frac{1}{1+r} \right) =$$

$$\log \left( \frac{1}{1+r} \right) =$$

$$\frac{1}{1+r} =$$

You cannot open a book without learning something

# MATHEMATICS

## What you study?

Mathematics, from ancient times, has served as a model for rational thinking and is used extensively in all sciences. Of late, efforts are made to construct a new foundational basis for mathematics. In the post-graduate course, mathematics is studied, not only from the theoretical stand point, but in the direction of applicability in various fields serving the scientific and technical needs. A remarkable amount of practical mathematics are developed which will provide a route to high quality careers in finance and industry. There is now a fair amount of stress in the inter-disciplinary studies such as statistics, commerce, econometrics and computing, especially soft computing and programme skills.

### SEMESTER I

Advanced Algebra  
Real Analysis - I  
Discrete Mathematics  
Difference Equation

### SEMESTER II

Linear Algebra  
Real Analysis - II  
Complex Analysis  
Graph Theory  
Algorithm using C++

### SEMESTER III

Topology  
Lebesgue Measure Theory  
Fluid Mechanics  
Operations Research  
Partial Differential Equations

### SEMESTER IV

Functional Analysis  
Ordinary Differential Equations  
Numerical Analysis for  
Ordinary Differential Equations  
Algorithmic Graph Theory

**Length:** 2 years full-time with 4 semesters. The maximum duration to complete the course shall be 4 years.

**Eligibility:** Candidates who have secured 55% of marks or above are eligible.

**Medium:** The medium of instruction shall be English.

**Passing and Classification:** The minimum of marks for passing and classification for the award of the M.Sc (Mathematics) Degree shall be as per the existing norms of other PG Degree courses of Pondicherry University offered in Affiliated Colleges.

**Fees:** ₹13,000/- per semester + one time payment of ₹1,000/- will be collected.

Care and Trust

# PHYSICS

## What you study?

A study of Physics widens your mental horizon - enabling one to have a refined understanding over nature, nature's mechanism and related phenomena by exploring and answering the basic question what, how and why posed by the minds of mankind. Its horizon includes a wide spectrum of problems from microscopic subatomic nuclear particle quark behavior to macroscopic large galaxies' structure. Enriched mathematics as a tool, Physics seeks optimum analytical solutions for the day-to-day problems of life. A study of physics hence equips one with a good amount of knowledge about the application of Mathematics & Chemistry. It will greatly help one to be prepared mentally to tackle the toughest of problems in science (Hence in life) with speed and remarkable precision.

With the advance in nano technology, understanding of basic science gains considerable significance. UG physics curriculum provides a platform to those students thriving to aspire for a career in R&D and higher study such as M.Sc. Physics, M.Sc. Material Science, M.Sc. Nano technology, M.Sc. Astrophysics etc.

Applicants from outside Tamil Nadu State Board must obtain the eligibility certificate from the Pondicherry University before admission. Students studying in colleges affiliated to Universities other than the Pondicherry University can seek admission to B.Sc. Physics on condition that they would adhere to the procedure laid down by the University in this regard.

### SEMESTER I

Language I  
English I  
Mechanics of particles, Rigid bodies & Continuous Media  
Kinetic theory & Thermodynamics  
Allied Mathematics I

### SEMESTER III

Language III  
English III  
Optics  
Electricity

Electromagnetic waves and relativity  
Atomic Physics  
Nuclear Physics  
Communication Electronics II  
Numerical Method and  
Computer Application  
Main Practical IV

**Length:** 3 years full-time with 6 semesters. The maximum duration to complete the course shall be 6 years.

**Entrance Requirements:** Candidates for admission to B.Sc. Physics shall be required to have passed Higher Secondary Certificate Examination of the Tamil Nadu State Board or CBSE or other equivalent examination acceptable to the Pondicherry University with Physics and Mathematics as subjects of study.

**Age:** Candidates must have completed 16 years and 6 months as on 15th July. Should be below 21 years of age as on 1st July. Age relaxation is applicable to students belonging to the following categories:

- (i) 3 years for physically handicapped, scheduled castes and scheduled tribes
  - (ii) 5 years for nuns of various religious congregations & widows.
- Medium: The medium of instruction shall be English.

**Fees:** ₹10,000/- per semester + one time payment of ₹1,000/- will be collected.

We inspire, provide, facilitate, encourage. You Succeed

## COMMERCE & MANAGEMENT

This programme is intended to give a sound basis of accounting, key cost concepts and resource utilization techniques. It is also intended to create knowledge on the overall functioning of business and industries, by learning all management functions such as finance, marketing, production, personnel etc. It is also offering a scheme of study to get exposure to legal environment in which a responsible business has to operate. You get an opportunity to learn proper guidelines for corporate governance based on sound business ethics. The knowledge gained under this programme will be relevant to pursue higher studies in business and management in particular professional courses leading to Chartered Accountant and Cost Accountant

### What you study?

The programme consists of a range of core and allied subjects. The core course consists of Financial Accounting, Principles of Corporate Accounting, Cost Accounting, Management Accounting, Financial Management, Marketing Management, Business Law, Company Law, Auditing, Income Tax Law, Indirect Tax Laws, Money and Financial Systems etc. The allied course consists of Business Economics, Statistics, and Mathematics.

**Lateral Entry:** Candidates, who have passed in the first attempt the Diploma in Commerce or Diploma in Modern Office Practice of three year duration conducted by the Director of Technical Education, Government of Tamil Nadu or other states are eligible for admission to the Second year of B.Com degree purely on merit upto 10% of the sanctioned strength in the course. Such candidates should not have completed 22 years of age as on 1st July.

Achieve greater impact through creativity

**Length:** 3 years full-time with 6 semesters.  
The maximum duration to complete the course shall be 6 years.

**Entrance Requirements:** Candidates for admission to B.Com will be required to have passed Higher Secondary Certificate Examination of the Tamil Nadu State Board or CBSE or other equivalent examination acceptable to the Pondicherry University with Accountancy & or Commerce as one of the subjects of study.

**Age:** Candidates must have completed 16 years and 6 months as on 15th July. Should be below 21 years of age as on 1st July. Age relaxation is applicable to students belonging to the following categories:

- (i) 3 years for physically handicapped, scheduled castes and scheduled tribes
- (ii) 5 years for nuns of various religious congregations and widows.

**Medium:** The medium of instruction shall be English.

**Fees:** ₹18,000/- per semester + one time payment of ₹1,000/- will be collected.

## COMMERCE

### SEMESTER I

Language I  
English I  
Financial Accounting I  
Business Management  
Business Economics

### SEMESTER III

Company Law  
Cost Accounting  
Business Statistics  
Corporate Accounting I  
Business Mathematics

### SEMESTER V

Income Tax I  
Management Accounting I  
Money & Financial System  
Principles of Marketing  
Consumer Behaviour

### SEMESTER II

Language II  
English II  
Financial Accounting II  
Business Law  
Business Environment  
Environmental Studies

### SEMESTER IV

Entrepreneurial Development  
Computer Applications in Business  
Business Communication  
Corporate Accounting II  
Auditing

### SEMESTER VI

Income Tax II  
Management Accounting II  
Indirect Taxes  
International Marketing  
Advertisement & Sales Promotion

Applicants from outside Tamil Nadu State Board must obtain the eligibility certificate from the Pondicherry University before admission.

Students studying in colleges affiliated to Universities other than the Pondicherry University can seek admission to B.Com. on condition that they would adhere to the procedure laid down by the University in this regard.

Early development is fundamental of your life

## CORPORATE SECRETARYSHIP

This programme offers the broad look at many aspects of corporate governance with strong foundation in the areas of Company Laws and Secretarial Practices. It places an emphasis on corporate management practices, by studying economic legislations, corporate finance etc. It is also intended to create knowledge on the overall functioning of business and industries, by learning all management functions such as finance, marketing, production, personnel etc. This programme also helps to gain knowledge on accounting, key cost concepts, management accounting etc. There is also an institutional training opportunity under this programme. The knowledge gained under this programme will be relevant to pursue higher studies in business and management, in particular professional courses leading to Chartered Company Secretary, Chartered Accountant and Cost Accountant.

### What you study?

The programme consists of a range of core and allied subjects. The core course consists of Company Laws, Secretarial Practices, Economic Legislations, Corporate Finance, Human Resource Management, Industrial Law, Financial Accounting, Cost Accounting, Business Law, Income Tax Law, Indirect Taxes etc. The allied course consists of Business Economics, Statistics, and Computer Fundamentals.

Dream, Achieve, Succeed to reach new heights

Corporate Governance

Applicants from outside Tamil Nadu State Board must obtain the eligibility certificate from the Pondicherry University before admission.

Students studying in colleges affiliated to Universities other than the Pondicherry University can seek admission to B.Com.(C.S) on condition that they would adhere to the procedure laid down by the University in this regard.

**Length:** 3 years full-time with 6 semesters.

The maximum duration to complete the course shall be 6 years.

**Entrance Requirements:** Candidates for admission to B.Com. (C.S.) shall be required to have passed Higher Secondary Certificate Examination of the Tamil Nadu State Board or CBSE or other equivalent examination acceptable to the Pondicherry University. Lateral entry admission is allowed in the second year.

**Age:** Candidates must have completed 16 years and 6 months as on 15th July. Should be below 21 years of age as on 1st July. Age relaxation is applicable to students belonging to the following categories:  
(i) 3 years for physically handicapped, scheduled castes and scheduled tribes  
(ii) 5 years for nuns of various religious congregations and widows.

Medium: The medium of instruction shall be English.

**Fees:** ₹18,000/- per semester + one time payment of ₹1,000/- will be collected.

Learning comes through involvement

## BUSINESS ADMINISTRATION

This programme is designed to provide a strong functional skills in different management settings, with an emphasis on managerial skills such as problem solving, decision making and leadership. It helps students to gain knowledge in the diverse functional areas of business management. This programme also gives opportunity to gain knowledge in finance, marketing, manufacturing, human relations, strategic planning, risk management etc. There is also an institutional training opportunity under this programme so as to understand the practical aspects of management. The knowledge gained under this programme will be relevant to pursue higher studies in business and management.

Students studying in colleges affiliated to Universities other than the Pondicherry University can seek admission to B.B.A. on condition that they would adhere to the procedure laid down by the University in this regard.

We guide, advice, mentor, advocate. You thrive

# COMMERCE

The M.Com. programme attempts to provide the student with bright knowledge and skills that are vital to build successful management careers in any dynamic business environment. Each subject is given in depth coverage so that the students derive maximum benefits. The curriculum is designed to give importance to various functional areas in the operation of an organisation, to use accounting information in the managerial process and to get an insight about the economic policies on business. This programme also provides the students to understand the importance of various tools and techniques to effectively manage financial resources of a company, to know about the formulation of business policies and strategies and their implication for the organisations, besides familiarizing with E-commerce and its importance in business. This programme encourages the students to learn in different ways through lectures, case studies, assignments, seminars and examinations.

English for Competitive Examinations

## FACILITIES & CAREERS

### Computer Facilities

The Department of Computer Science, Computer Applications and Information Technology has excellent computing facilities for teaching and laboratory work. There are four laboratories containing 30 digital kits, 32 MPs and 120 PCs equipped with UPS & a substantial amount of software viz. Windows 2003 Server, Windows 2003 Professional, Linux 9.0, etc., apart from substantial languages. As a milestone, we have introduced a Wireless LAN Laboratory consisting of 102 systems with the intention of introducing new technology to our students.

### Career Outlook

The demand for professionals in computing fields is widespread; job opportunities for computer scientists and engineers exist in almost every industry. As computer applications continue to expand, occupations in computer science is projected to be the fastest growing industry in India. These degrees will give the students a strong theoretical and technical background in computing. They will be ideally suited to a career as software designer or developer, and eligible for Post Graduate Courses such as M.Sc. (Computer Science), M.C.A., M.B.A., M.T.A., etc. Students will also be equipped for careers in which they supervise projects involving several system developers.

NSS Students activity

# RULES & REGULATIONS

## ATTENDANCE AND DISCIPLINE

Students are expected to be regular in their attendance at the classes and laboratories and to conform to the rules of campus discipline. A minimum of 75 per cent attendance at the College and 90 per cent at the laboratories is required for a student to be permitted to write the University examination.

## INSTRUCTIONS TO STUDENTS

Academic work starts on the reopening day of the College. Slackness in studies, irregularity in attendance and bad behaviour will be brought to the notice of the parents/guardians as and when warranted. The Languages under Foundation Course are not taught from alphabet stage. Only those who have studied the languages at school should opt for them.

Ragging, being a serious offence, is strictly prohibited by a notification issued by the Ministry of Human Resources Development, Government of India, New Delhi with a penalty upto 2 years of imprisonment. If any student indulges in any form of ragging, he/she will be summarily rusticated from the College.

## APPEAL TO PARENTS

The twin objective of the College is academic efficiency and strict discipline. Progress of students will be carefully monitored. Parents are, therefore, reminded that they are not absolved of their responsibility once their sons/daughters are admitted to the College. The College solicits their cooperation and support in maintaining good academic standard and enforcing discipline not only to promote the education of their wards but also to shape their personality. The parents/guardians should follow the students' progress in studies as well as general conduct in and outside the College. They are advised to keep in touch with the Principal at least once a month. They must assure the authorities that they will accept responsibility for the proper behaviour of their wards. The parents/guardians are expected to attend the parent's meetings on the dates specified in the college calendar without fail.

Failure to respond to communications from the College will be deemed as non-cooperation by parents/guardians and disciplinary action taken by the Principal against their wards will not be reviewed in such circumstances. This collective effort of the Principal, faculty, administration and parents is in the interest of the students.

Use of mobile phones in the Campus is strictly prohibited.

## RULES GOVERNING ADMISSION PROCEDURE

- ❖ Applications from eligible candidates made in the prescribed form only will be considered.
- ❖ Application form and Prospectus can be had from the College Office on payment of Rs.200/-.
- ❖ Application form will be issued in the name of the candidate seeking admission. It is not transferable.
- ❖ Applicants must fill in the applications legibly in their own handwriting.
- ❖ Applicants and their parents/guardians shall be solely responsible for the declarations made in the applications. If, at any time, it is found that an application is incorrect or inaccurate or incomplete, the student shall forfeit his/her seat.
- ❖ Late or incomplete applications or applications containing false information will be summarily rejected.
- ❖ Interview cards announcing the time and date of interview will be sent only to those provisionally selected for admission to the course applied for.
- ❖ The provisionally selected candidate will have to present himself/herself along with his/her parent/guardian for interview with the Principal on the date and time mentioned in the interview card.
- ❖ The provisional admission will be automatically cancelled if the candidate fails to turn up for the interview on the specified date.
- ❖ At the time of interview the candidate should produce the following certificates in original:
  - Transfer and Conduct Certificates
  - Mark List of the qualifying examination
  - Residence and Nativity Certificates
  - Community Certificate
- Certificate in support of the claim for reservation under different categories
- .....
- Cumulative Health Record issued by the Student Health Officer
- ❖ Selected candidates must pay the fees immediately after the interview, if admission is confirmed. Extension of time will not be granted for payment of fees under any circumstances.
- ❖ Fees once paid will not be refunded under any circumstances.
- ❖ Students leaving the College in the middle of the academic year shall have no right to claim a refund of any portion of the fees remitted at the time of admission.
- ❖ A student once enrolled for a course is expected to complete the same. He/She may not withdraw from the college without informing the Principal in writing. He/she will be liable to pay fees for the whole of that academic year.
- ❖ Fees are subject to change without notice.
- ❖ The administration of the College reserves the right to effect any changes in the admission policy, fees structure, rules and regulations deemed necessary in the interest of students and the institution.
- ❖ Applicants who attempt to bring pressure or recommendations will be summarily disqualified.
- ❖ During the course fees should be paid within 15days from starting of each semester, failure in which will attract fine.
